Title: Consultant

Date of Birth: 26. april 1960

Languages: Danish (Native)
English (Spoken & Written)
Swedish (Basic)
Norwegian (Basic)
German (Basic)

Business experience: Since 1985

Short presentation:

PBH has over 25 years business experience hereof over 20 years with IT related projects. PBH has worked in various roles hereunder project manager, project reviewer, team lead, systems architect, application consultant, test manager and in various other roles.

PBH has been employed in professional IT practices, hereunder 8 years at SAP as consultant and manager, 6 years at Enator Tieto, 1 year at KPMG as management consultant and 1 year at Siemens as senior project manager. For 4 years PBH was partner at Appeer and in periods PBH has worked as freelance consultant.

PBH is especially skilled in pre-studies, strategy work, overall solution designs, problem solving, project estimation, business case development, risk identification, project management, project reviewing and other tasks that require a good overview.

Visit also www.pbhconsulting.dk for an updated profile overview.

PBH has worked in various industries hereunder professional service, cleaning and security, Oil & Gas, manufacturing- and construction as well as in the government sector - Rail, Hospital, Tax and Public administration.

PBH has management experience from:

- Over 20 years as project manager at Siemens, KPMG, SAP and Tieto Enator.
- Customer Support Manager at SAP Denmark responsible for 15 employees and customer satisfaction/project delivery for all Danish SAP customers.
- Business Unit Manager at SAP Denmark responsible for 18 employees and sale/delivery in the Service Sector.
- Helpdesk responsible at SAP Denmark responsible for 5 employees.

PBH is deeply engaged in his customer cases, and shows high drive towards agreed targets and project dead-lines. PBH has focus on ROI and customer value. PBH is good to organize and solve complex tasks i.e. escalated IT projects that need a doctor.

PBH has a Master of Science degree in engineering from the Technical University of Denmark. PBH is married, has 4 children and lives near Copenhagen.
